Mirae Asset Investment Managers (India) Pvt. Ltd. (“Mirae Asset India”) is planning to offer Global X ETF products

Mumbai, January 27, 2022:

Mirae Asset Investment Managers (India) Pvt. Ltd., one of the fastest growing fund houses in India today announced that it is planning to offer its Global X ETF (owned by Mirae Asset Global Investments) products to Indian investors. Mirae Asset's total Global ETF AUM across 10 countries has crossed the Rs 6.3 trillion or approximately US\$ 84 bn mark, making Mirae Asset the 14th largest ETF provider in the world. Mirae Asset India is planning to offer the Global X ETF to investors, adding to its innovative portfolio of ETF products that it has launched since its first ETF product in 2018.

The achievement illustrates the strides that Mirae Asset has taken globally with the launch of a slew of innovative products in thematic and overseas ETFs. In fact, the aggregate AUM of Mirae Asset Global ETFs is larger than all ETFs listed in Korea.*
